## A Guide to our relationship with you:

### Who is responsible for the services provided?

Australian Financial Planning Group Pty Ltd (AFPG) is responsible for the financial and credit services provided. AFPG has authorised the distribution of this FSCG. Under its Licence's, AFPG has authorised corporate entities and individuals to provide financial and credit services.

Your Financial Adviser is authorised by AFPG to provide personal advice on financial products. Your Financial Adviser may also be authorised to provide credit advice. Please refer to the individual Adviser Profile.

### AFPG is authorised to provide advice and deal in the following financial and credit services:

- Retirement Planning
- Superannuation
- Self-Managed Super Funds
- Insurance
- Investment Management
- Budgeting
- Residential and Investment Lending

### AFPG Investment Philosophy

The AFPG investment philosophy employs Separately Managed Accounts (SMA's), which are customised investment portfolios where the assets are owned by the individual investor. An investment is allocated across a model portfolio, which will determine allocation between investment products.

When selecting products, we're generally limited to the range of products on our Approved Product List (APL).

Our APL is a list of quality researched products, but our APL doesn't include all products available in the market. We won't recommend products that aren't appropriate for you and if there isn't a product on our APL that's appropriate for you, we have a process for considering other products that may be appropriate.

### The AFPG Group of Companies

Australian Financial Planning Group Pty Ltd is a member of the AFPG group of companies. We can provide access to comprehensive financial advice and a wide range of financial products and services.

Your Financial Adviser may refer you to an associate of AFPG (or an independent third-party) for the provision of the following services:

- Credit Services
- Investment Services – Separately Managed Accounts (Related Party)
- Accounting and Tax Planning (Related Party)
- Real Estate Investment – Direct Property (Third-party)
- Estate Planning (Third-party)

### What information should I provide to ensure I receive appropriate personal advice?

Your Financial Adviser will complete a Client Questionnaire with you, which will record your personal objectives, lifestyle goals, details of your current financial situation and any relevant information, so that you can receive the most appropriate advice.

You have the right to withhold information, however, this may compromise the appropriateness and effectiveness of the recommendations contained in your advice documents.

You should read the warnings contained in your advice documents carefully before making any decision relating to a financial strategy or product.

### How can I give you instructions about my Financial Product/s?

To implement a product recommendation, you will be required to sign an "Authority to Proceed" which will form part of your advice document.

### What information is kept on file for me?

We maintain a record of your personal profile including details of your objectives, financial

situation and needs. We also maintain records of any recommendations provided to you.

### Who may access this information?

We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. Details of our policy can be found at the end of this document.

It is important to note that in order to best meet your needs and provide you with financial services and advice we may need to disclose your personal information to other parties. Typically, these parties may include fund managers, life companies, related entities and other licensees.

From time to time we may bring to your attention products and services or other information which may be relevant to your Statement of Advice. At these times, you will be given the opportunity to choose whether to continue to receive such information.

### Continuity of service

AFPG reserves the right to appoint an alternate representative to service your requirements. In these circumstances, we will write to you advising you of the change.

### Professional Indemnity Insurance

AFPG maintains professional indemnity insurance to cover us and our representatives for the services we provide as required by the Corporations Act 2001.

### Anti-Money Laundering and Counter Terror

AFPG follows best practice in regard to anti-money laundering.

We are required under the Anti-Money-Laundering and Counter-Terrorism Financing Act (AML/CTF) 2006 to implement client identification processes. We will need you to present identification documents such as passports and driver's licences in order to meet our obligations.

## Documents you may receive:

If you decide to obtain personal financial advice from AFPG, your adviser will need to determine your needs, objectives and relevant financial circumstances.

At the initial advice appointment, your adviser will typically gather the relevant information by using a client data collection form.

You will be asked to provide accurate

information about your personal and financial situation and keep your adviser informed of any changes to your relevant circumstances.

Your adviser will also need to verify your identity and confirm details of any related entities.

When your adviser provides personal financial advice to you, you may receive one or more of the following documents:

- Statement of Advice (SoA)
- Record of Advice (RoA)
- Execution only Document (EoD)
- Product Disclosure Statement (PDS)

- Fee Disclosure Statement (FDS)
- Annual Renewal of Ongoing Service Agreement (OSA)
- Opt-in Renewal (every 2 years)
- Regular Newsletters

The SOA will set out the advice that has been tailored to your specific circumstances and provide you with details of all relevant disclosures including details of any fees and commissions payable.

Where you receive ongoing or further advice an SoA or RoA may be provided.

An EoD may be issued where the service provided is merely accepting the decision or direction of the client

and the processing of any product transaction documentation. In this situation there is no

responsibility taken by AFPG for the appropriateness of the product decision of the client.

A PDS will be provided if a financial product recommendation is made and will include detailed information on the product including features, benefits, conditions, costs and cooling off rights (if applicable).

An FDS will be issued to you in instances where you enter into an Ongoing Service Agreement with your adviser for a period greater than 12 months. The FDS will contain information about the services you were entitled to receive, the services you actually received and the fees you paid during the period. The FDS will be provided to you annually.

We will issue an Annual Renewal Notice of OSA. The Renewal Notices will give you the option of renewing the ongoing Service Agreement.

You may request in writing a copy of any advice document up to seven (7) years after the advice has been provided.

Generally, there is an initial commission of up to 1.0% which is received on settlement of the loan.
